

# 2025-2026 Principal's Words

SEPTEMBER 2025

Dear Sung Tsun Family,

As the new school year begins, I warmly welcome everyone back to our loving and hope-filled community. This year, our school theme focuses on the virtue of Kindness, which we will nurture alongside the five core Catholic values—Truth, Justice, Love, Family, and Life—to guide our students in character and spiritual growth.

Kindness is the living expression of love: caring for others and showing empathy in daily life. It extends truth through honesty and integrity; it embodies justice by making courageous and righteous choices; it continues the spirit of family by fostering bonds of care within our school; and it reflects the brilliance of life, giving us purpose and mission.

I encourage every student to begin this school year with kindness as their foundation, living out the Catholic values and becoming a small beacon of light to those around them. Let us walk hand in hand to build a campus filled with compassion, respect, and hope.

God bless you all.

Your Principal,  
Fung Ka Chun Chris
